

Health and Safety Policy

Health and Safety at Work etc Act 1974 s2 (3)

CFEP UK Surveys will provide an efficient, quality service to our customers in a safe and healthy environment.

We will adequately control the risks arising from our activities and consult with our employees on all matters affecting their health and safety.

We will provide information, instruction, training and supervision to ensure our employees are competent and confident to carry out their duties.

We will prevent accidents and cases of work related ill health with the provision of safe equipment and the safe handling and use of substances in our control, in an environment conducive to the safety and health of all persons using our premises.

We will review this policy every three years or when necessitated by changing circumstances.
